POOL GLASS SETUPS

The Party On Water

Perhaps one of our most exclusive service, the breathtaking pool glass setup never fails to impress. Accompanied by stunning under water and overhead lighting, this is a unique service for unique functions.

Sound Fusion Limited Is an Industry Leader in Pool Glass Setups.

Over the years, Sound Fusion has become a game changing pioneer in innovative and unique glass set-ups.

Baby Pools

Let Your Function Stand Out.

Whatever the occasion, dinner, birthday party, product launch or even simply to increase space in your back yard for an event, impress your guests with our solid glass setups accompanied with amazing under water lighting.

Complement the Lighting

The reflective property of the glass panels bounces all sources of light to create stunning visuals.

Modelling Runway on The Pool

GLASS & BOARDS

Combine Your Glass & Boards

Circular Glass Stage

Circular Glass & Boards

These small circular structures bring a unique aspect to your event

Checkerboard Stage Concept

Glass Runway Concept

INTERACTIVE DANCEFLOOR

The interactive dance floor is comprised of tiles/panels that light up in various shapes and patterns making your event truly a sight to behold. It can be set up to glow various effects when stepped/danced on. It can also display corporate logos and taglines.

EVENTS LIGHTING

We have a vast array of mood lighting fixtures including moving heads, par cans, flood lights, bar lights, fairy lights, spider lights, underwater lights, hemisphere, and sweepers

PARTY ACCESSORIES

Mirror balls can be just the thing to get your party hopping. Also known as disco balls, these create dazzling shafts of light across the floor. We use our Disco Balls to bounce off lights, transforming your party space into an instant disco dance floor.

Effect Fog Machines

World Class Low Fog Machines

Smoke Machines

TRUSS

Truss for a Fashion Show

Box Truss

All our truss structures are designed and assembled in observance of all safety measures and are built to ensure stability.
